SUBJECT: (All States Log Number 193-0002) Identification of 91C and 66H8A Requirements

4. States need to survey soldiers interested in attending 91C or 66H8A (intensive care training). Additionally, States need to contact local civilian educational institutions and determine if local institutions can support the number of additional ARNG students necessary to reach 100% MOSQ/AOC. Anticipated costs of the identified programs (ex. tuition/books, etc.) need to be included in the States' request for funding to support these programs.

5. After review of each state plan, funding for approved programs will be identified by NGB-ARO-TI, and reimbursed to each state on a quarterly basis for selected personnel.

6. Students must be IAW all above listed Army and National Guard regulations.

7. POC is Pat DeBlasi, NGB-ARO-TI, DSN 584-1728, COL Wright/MSG Halliday, NGB-ARP-HN, DSN 289-4608/4701, (703)756-2670/4701, FAX 1225.
